TechBridge and Accenture Congratulate the Winner and Finalists of the Seventh Annual TechBridge Technology Innovation Award.

MEDSHARE INTERNATIONAL

MedShare redistributes unused medical supplies and equipment to developing nations and economically-challenged regions within the United States. MedShare's online inventory management system enables its personnel to quickly determine a medical facility's specific needs and ensures that appropriate equipment and supplies are sent in a timely manner.

Congratulations also to the two finalists for their innovative use of technology: **American Cancer Society's Relay for Life** and **Southwest Christian Care**, which received a special Judges Honorable Mention.
