

2008 Digital Ball

A World of Thanks

Thank You to everyone who helped to make TechBridge's eighth annual Digital Ball®, sponsored by Accenture, a success. With 94 corporate sponsors and 1,150 guests, the event raised \$1.2 million in cash and in-kind donations to continue TechBridge's mission of helping nonprofits use technology to better serve our community.

The support and generosity of our sponsors enabled TechBridge to serve over 200 nonprofit organizations in 2007, equipping them with critical technology services and solutions.

Thank you for embracing the possibilities of the digital revolution and for joining us to celebrate the spirit of philanthropy.

We hope to see you at the next Digital Ball in May 2009! For information visit www.techbridge.org.
